- Disadvantage:** This dorm is not as close to your classes as the Towers Dormitory.

ANOTHER OPTION: TOWERS DORMITORY – TOWER C:

The cost of a single room is \$33.67 per night. You must first REGISTER for your classes and then apply for a space in this dormitory at www.pc.pitt.edu. You will be billed for this WITH your tuition when you choose this option. Register early and apply early – occupancy is based on availability.

- Advantages:** Closer to your classes with guaranteed private room.
- Disadvantages:** It is used by non-academic Pitt programs (such as Football camp, Cheerleader camp, Head Start). There are no RAs to supervise young occupants, the public bathroom is down the hall, and it is noisy.
